

Summer Internship Opportunity

- Drake and Hy-Vee have partnered to create paid, professional development internship program (the Hy-Vee Digital Readiness Program with Drake University).
 - Drake students selected to be part of the program will participate in professional development programming led by Hy-Vee staff, with an emphasis on leadership, design thinking, and career mentoring.
- Students have an option to receive 1 credit at Drake during each semester they participate in the program.
- Application Deadline: March 10, 2023
- See application instructions at <https://tinyurl.com/yjnt626k>
